

28th May 2010

Dear Parents

CD Recording

As you may have heard from your sons and daughters, yesterday we recorded a Junior School CD with a professional company. It was really exciting to see the hall turned into a recording studio for the day and your children certainly seemed to enjoy themselves – it's a far cry from today's Victorian Day!

The CD features performances by Key Stage 1 and Foundation Stage, Key Stage 2, Orchestra, Choir, various soloists and the Whole School singing together. They will be available shortly after half term, and I am writing to find out if you'd like to buy a copy – not only are they a lovely keepsake for yourselves and your child, but they make wonderful presents for all family members. CDs will be priced at £8.50 each. If you would like to buy one (or more) of these CDs, please will you complete the form below and return it to me, at school, by Friday 11th June at the latest, enclosing payment. If paying by cheque, please make it payable to Westbourne School.

With best wishes for a happy half term holiday

Holly Nickson
Head of Junior Music

Westbourne Junior School CD
