

### Malta 2009

Dear Parent and Pupil,

It's not long now before we go to Malta, so I would like to take this opportunity to give you some more details.

Pupils will have school lunch at 12.00pm and we will be departing school at 12.30pm on the Thursday 22<sup>nd</sup> October.

Please could all pupils wear their Malta top and casual clothing on the day of departure. School uniform is not required for the tour.

Each pupil will need a packed lunch or money for the evening on the day of departure. I have been informed by Air Malta they will be providing a meal on the flight.

All pupils playing hockey will need shin pads and mouth guards. All pupils playing football will need shin pads. We will take some spare mouth guards if a pupil misplaces one.

Each pupil will be given a small laminated card with staff and Malta telephone numbers on one side and the rules of the trip on the other.

I would also like to point out the school travel insurance does not cover children not making the trip due to illness.

Please call me if you need any further clarification on anything regarding Malta.

Yours sincerely

Nigel Elvidge
