

What should my child wear?

Westbourne School uniform is supplied by Imperial Sports. Orders should be placed via their online shop – www.imperial-sportsltd.co.uk/shop and deliveries will be made to school for collection once a week. For any uniform queries please contact Imperial by telephone: 07536982841.

During the autumn first half term pupils have the option of either the summer or autumn uniform. After October half term all children are expected to wear autumn uniform and summer uniform from the beginning of the Summer Term. This is at the Head of Junior School's discretion and may be deemed appropriate earlier or later depending on the weather.

School uniform is an important aspect of life at Westbourne. All pupils are expected to wear the correct uniform and to keep their shoes clean. **The school requires that all items of clothing are clearly named.**

Parents of pupils with particular religious or medical needs should contact the school so that appropriate concessions can be made where necessary.

In the event that a pupil arrives at school in non-compliant uniform or in breach of the rules on appearance without permission or justification, the Headmaster reserves the right to impose proportionate sanctions.
