Academic Scholarships

Where academic achievement belongs

Westbourne School invites applications for academic scholarships from pupils who thrive on challenges, embrace new learning, and consistently engage actively in their studies, both in and outside of class.

We encourage dedicated individuals to join our dynamic learning community, where a commitment to academic excellence is met with opportunities for intellectual growth and a supportive environment.

Academic Scholars can expect:

- **Leadership and Involvement:** Undertake extra roles, such as leading the Book Group, managing the library, and organising events like World Book Day. Be a respected role model and leader for younger pupils.
- **Academic Excellence:** Stand out in School Competitions and contribute to our dedication to academic excellence.
